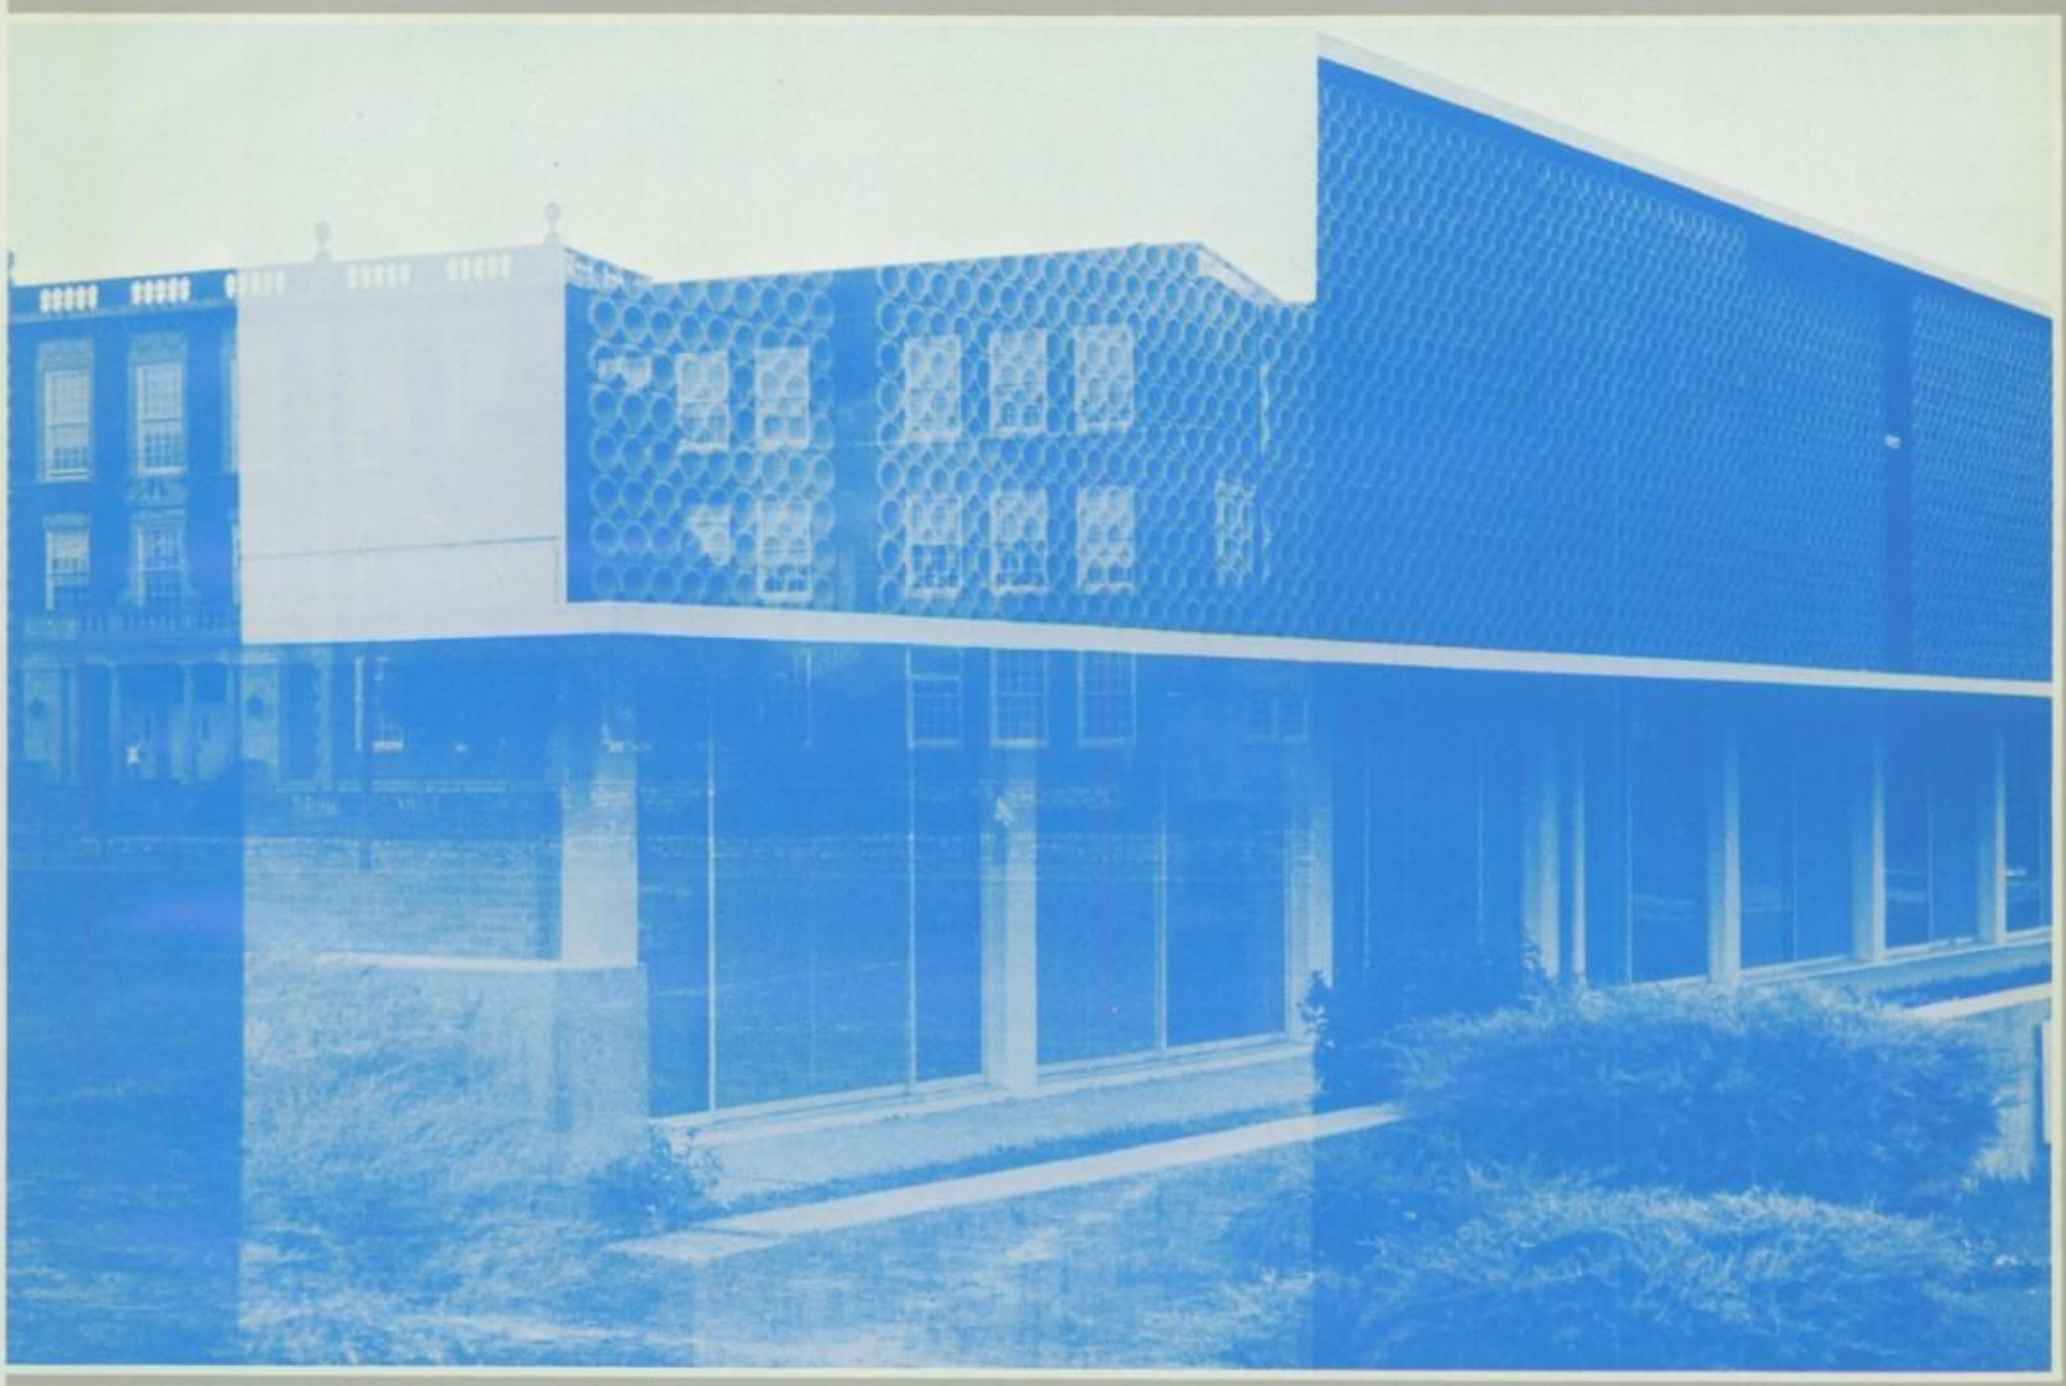
WEBSTER GROVES HIGH SCHOOL, VOL. 62
WEBSTER GROVES, MISSOURI



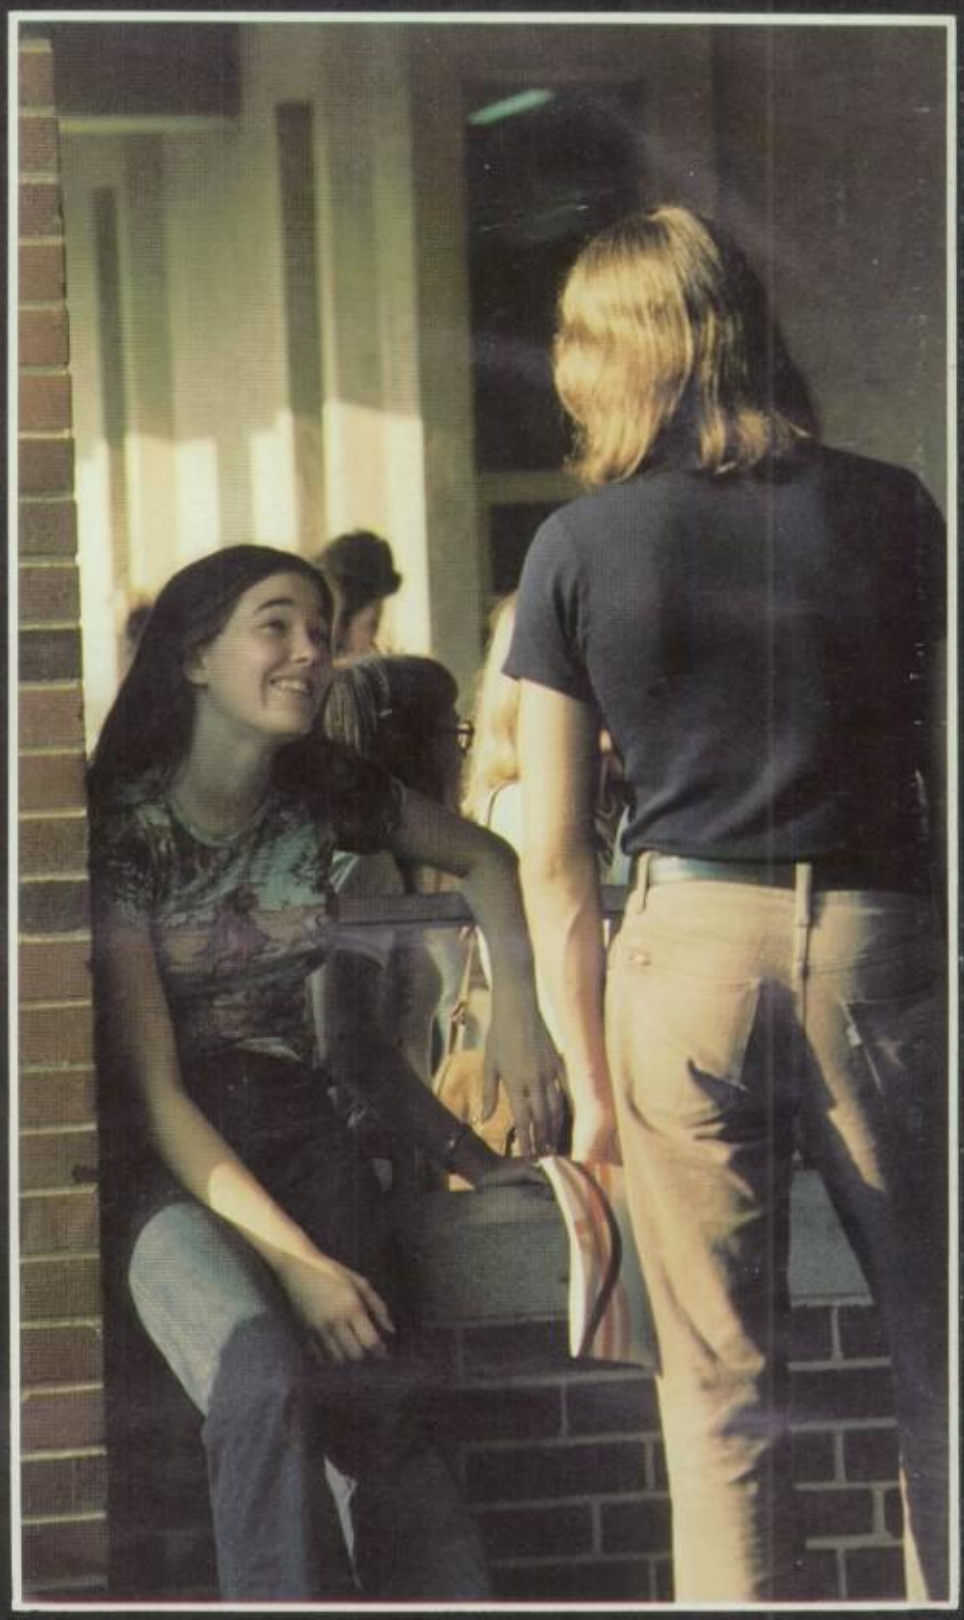
This year presented itself as being special in several ways. We at Webster joined in the celebration of our nation's Bicentennial, a time in history we should all be proud of.

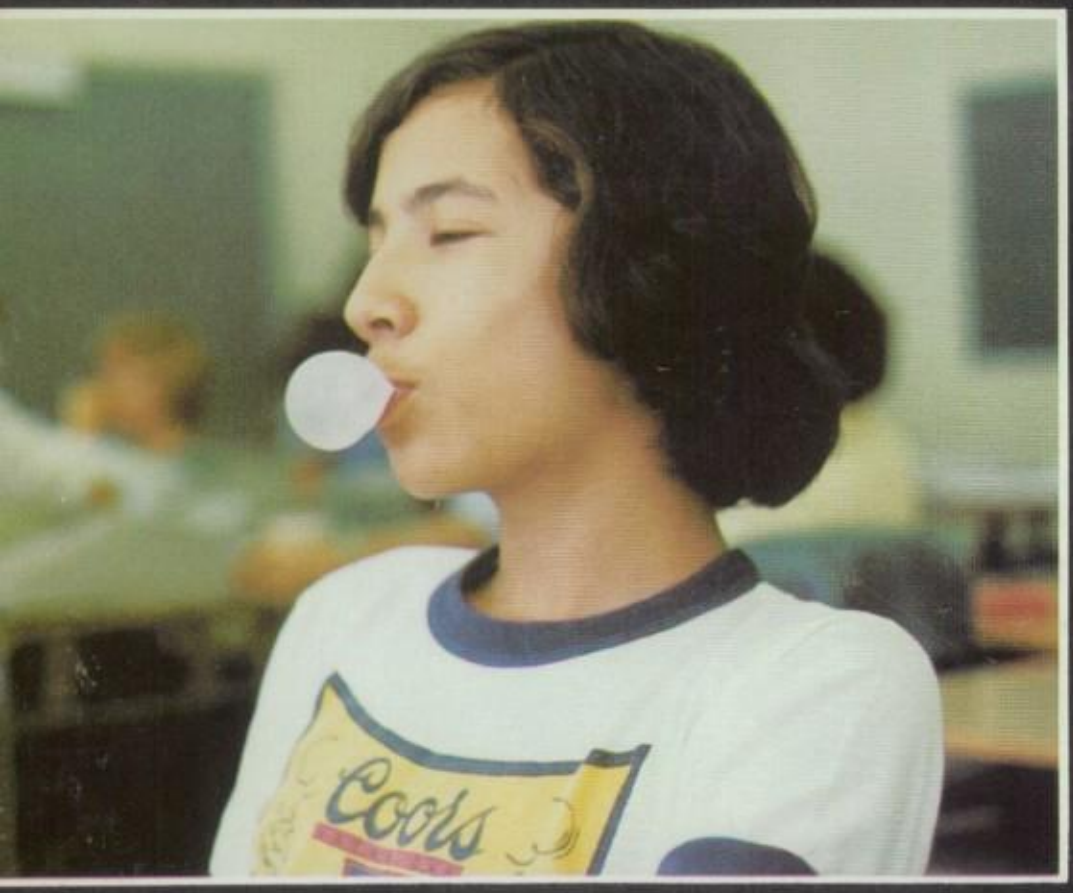
Equally as important, this was another year in each of our lives. A year to have lived and grown at Webster. Achievement and success were there for the taking. Individual and group efforts were made to face the challenges that occured.

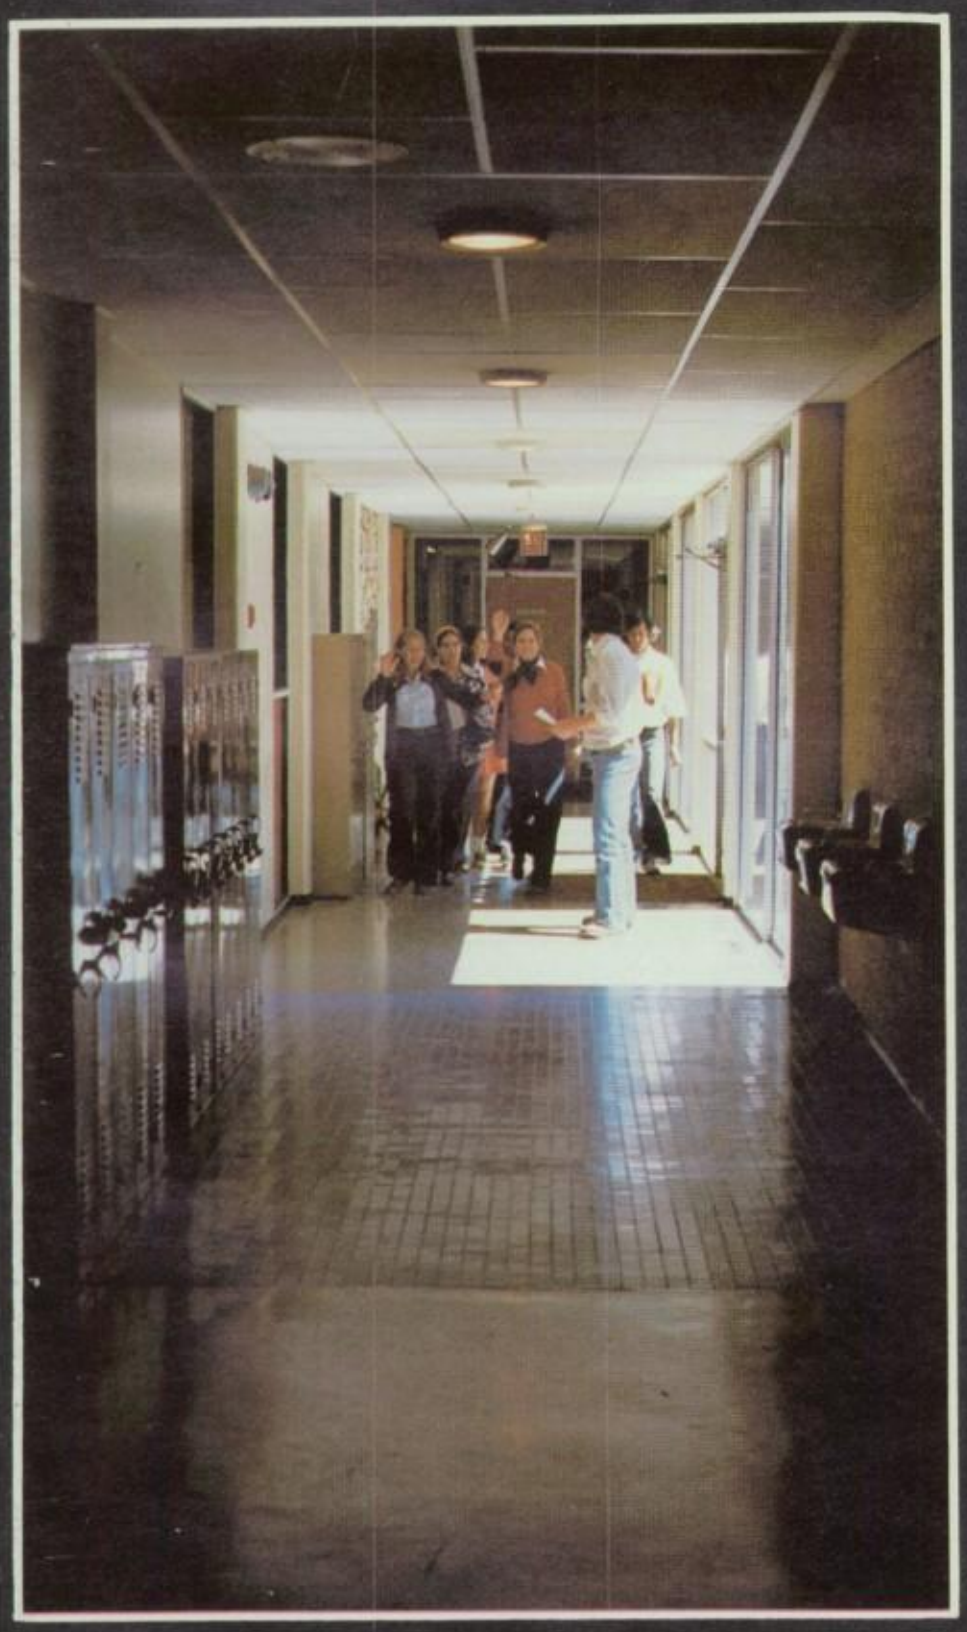
We have believed in the freedom of our nation, and have experienced a personal freedom in our lives. With each of us realizing this, we're sure to say . . . .

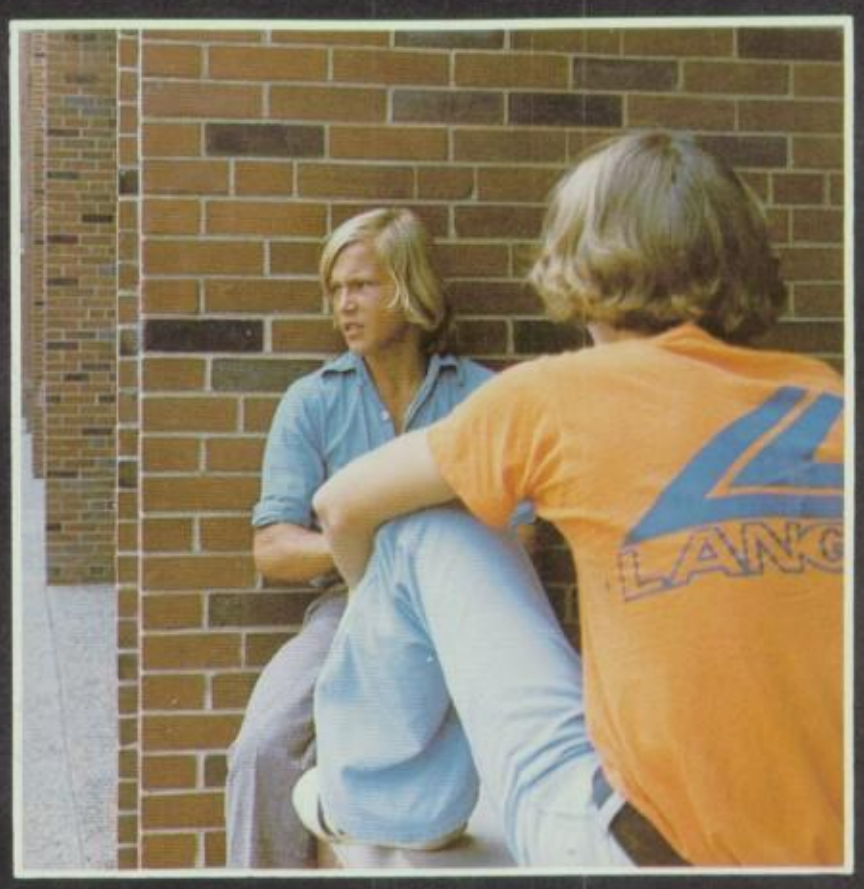
LET LIFE BE FREE!

FREEDOM TO ENJOY . . .



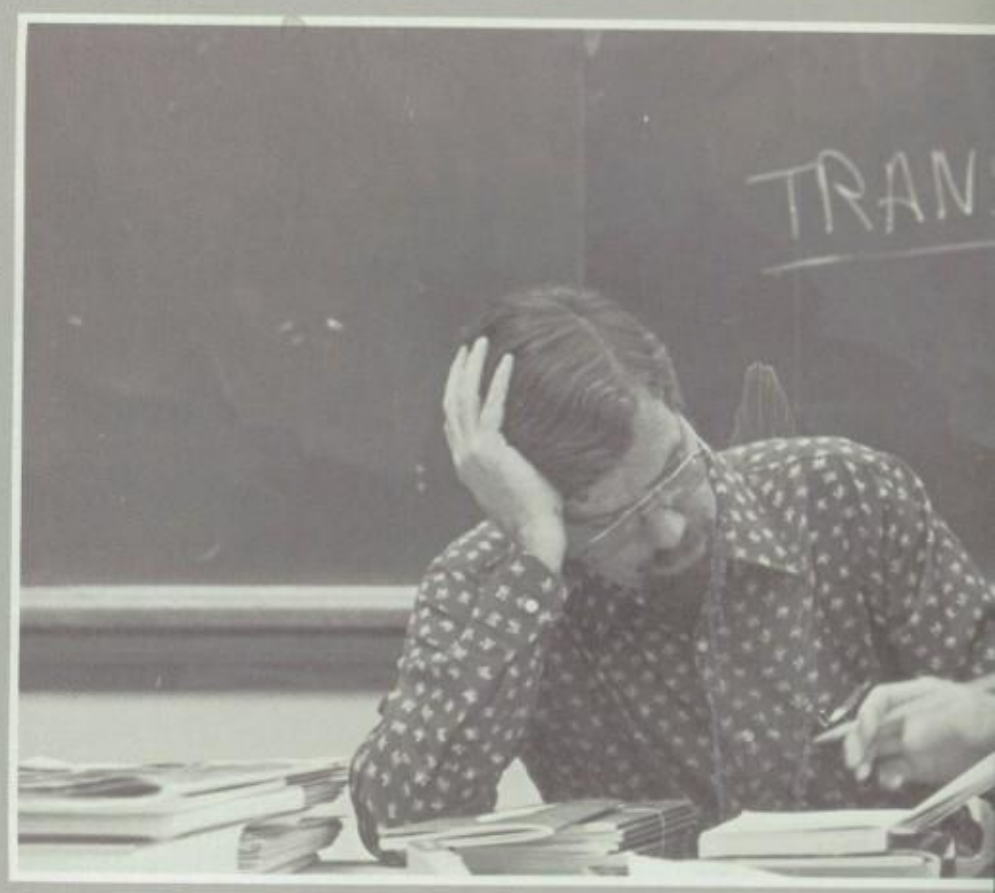


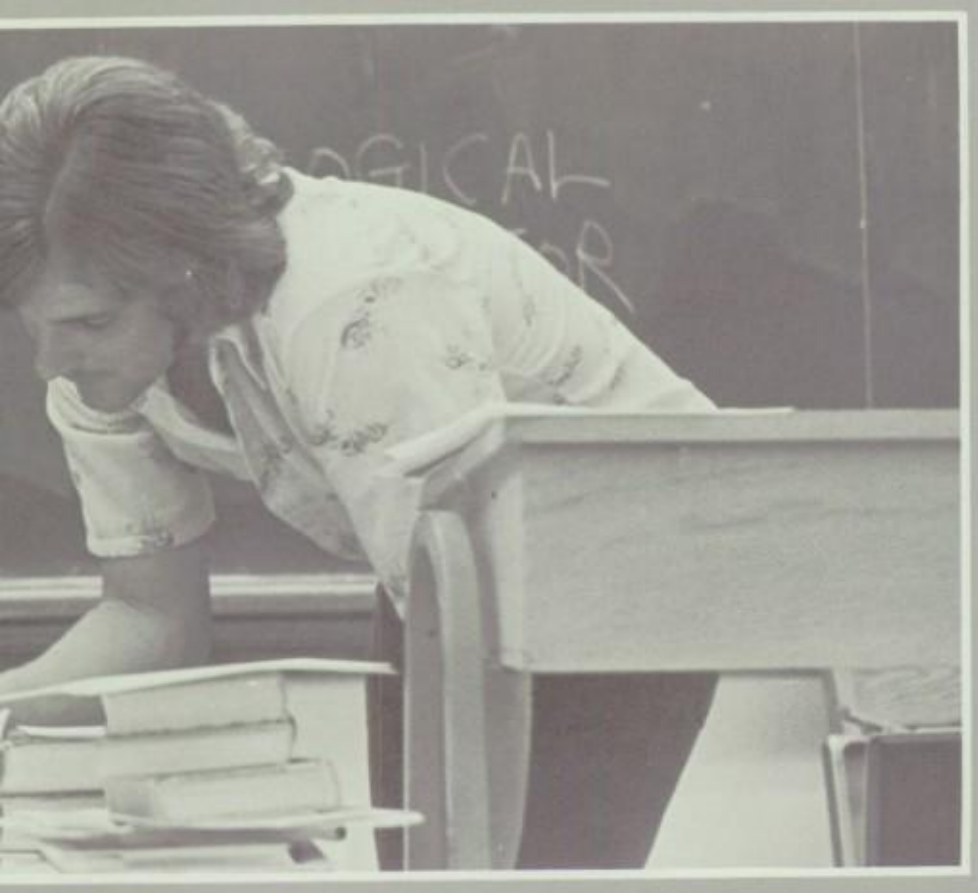


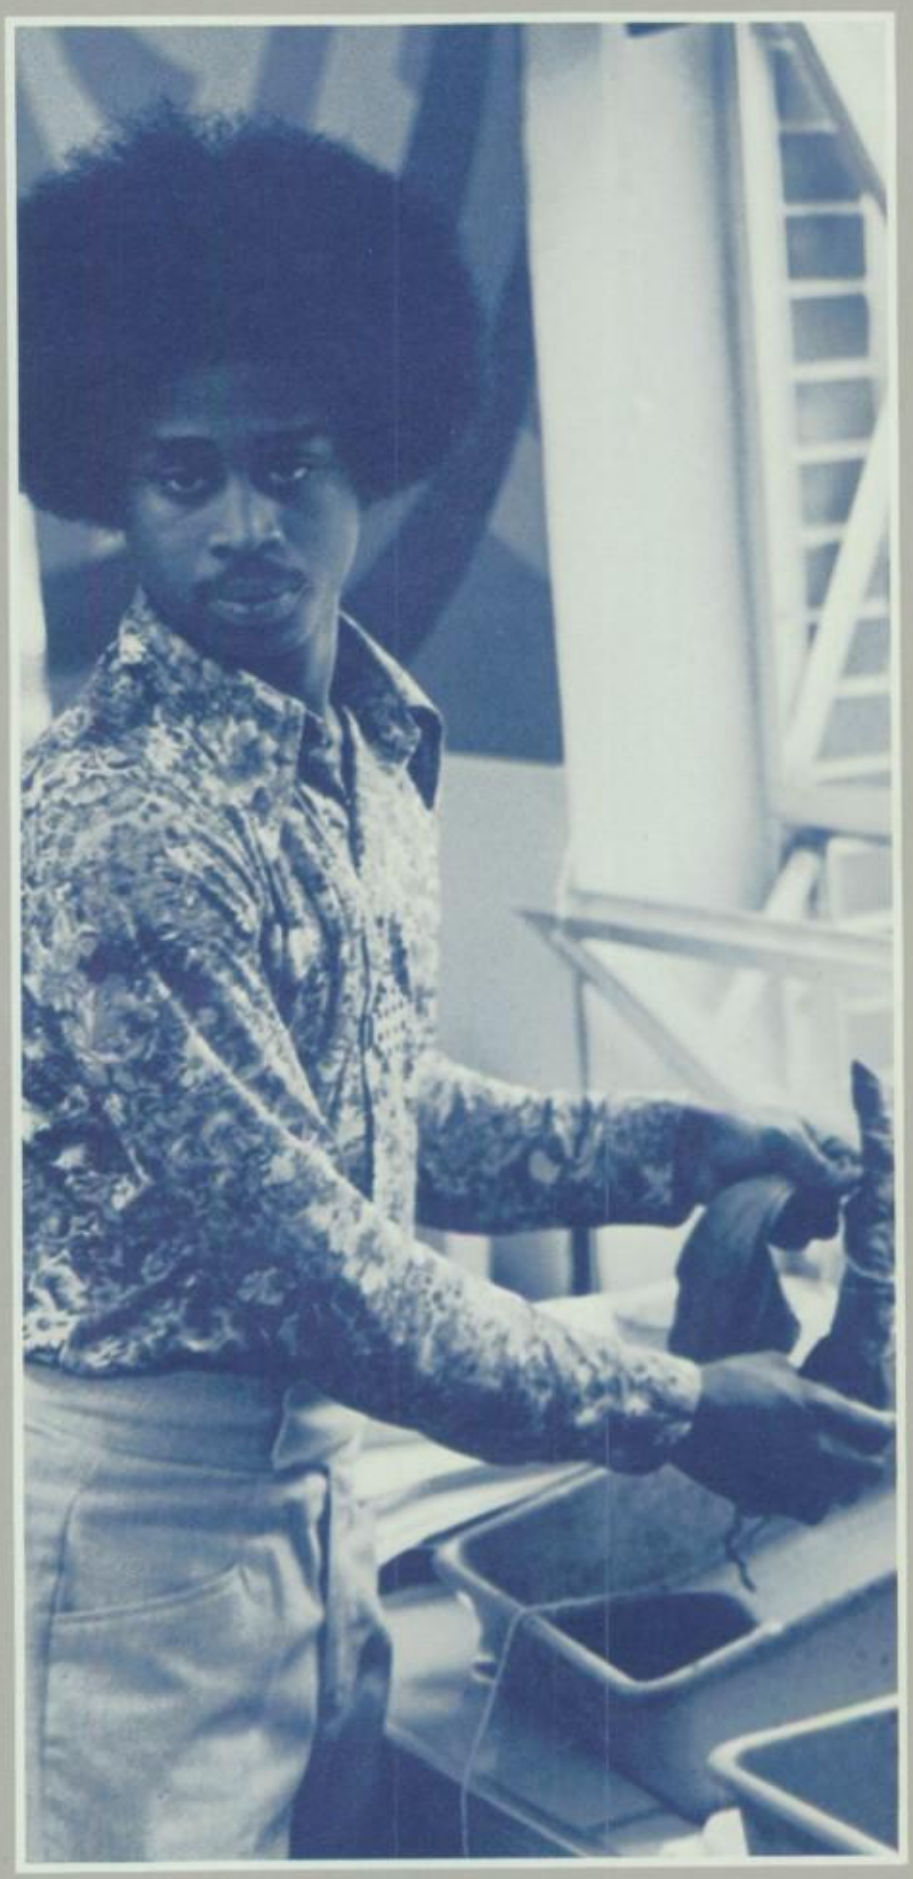


OUR SURROUNDINGS
AND FRIENDS

FREEDOM TO CHOOSE . . .

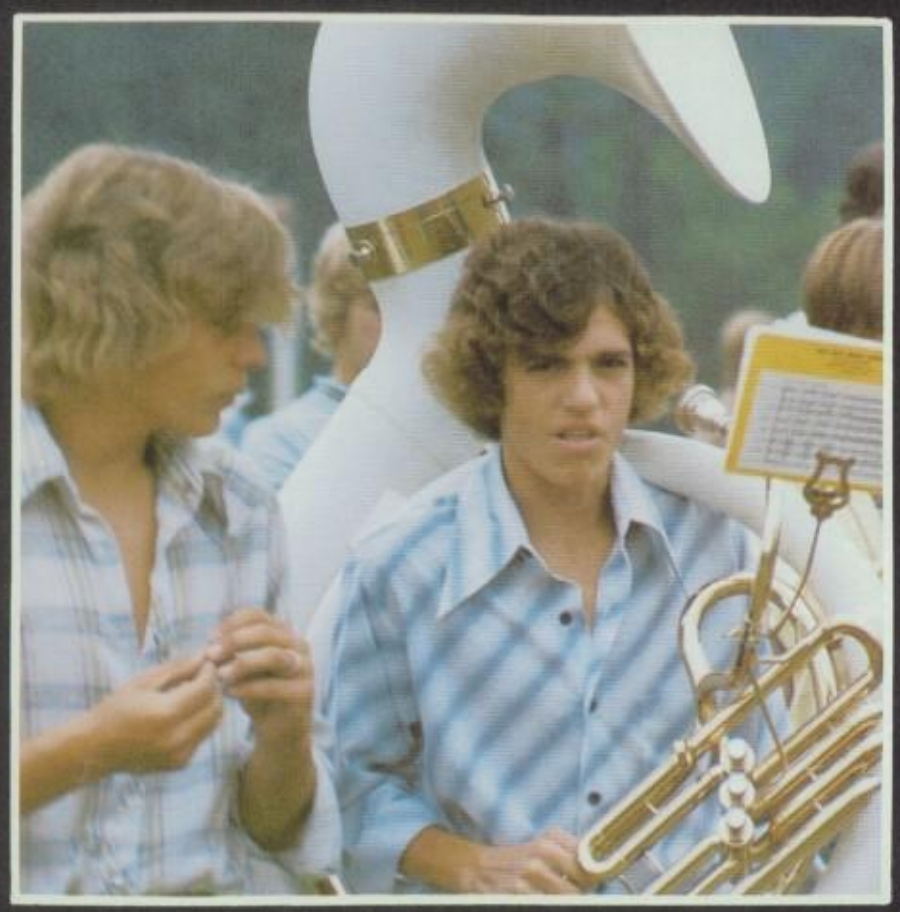


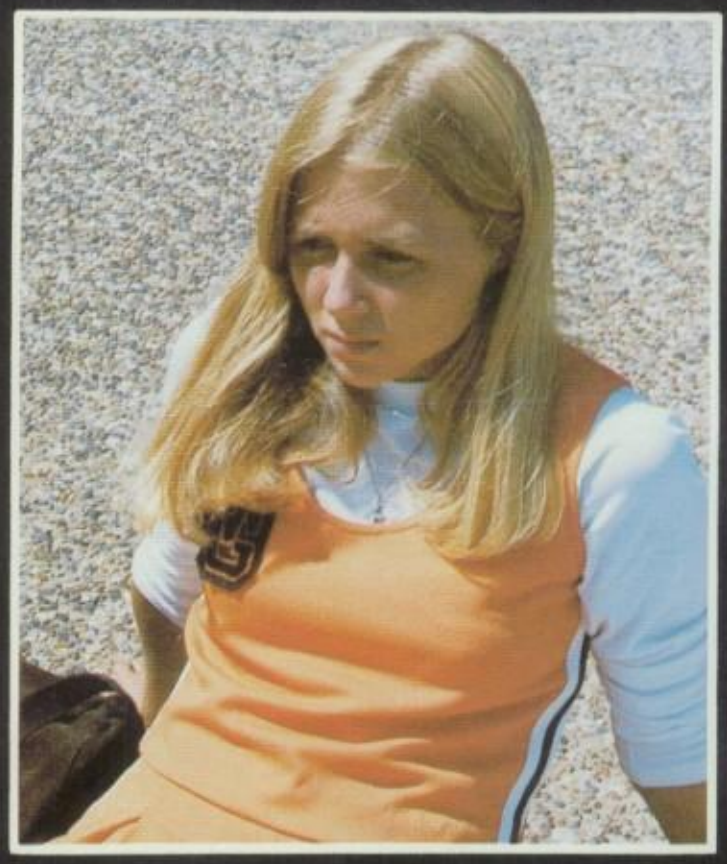


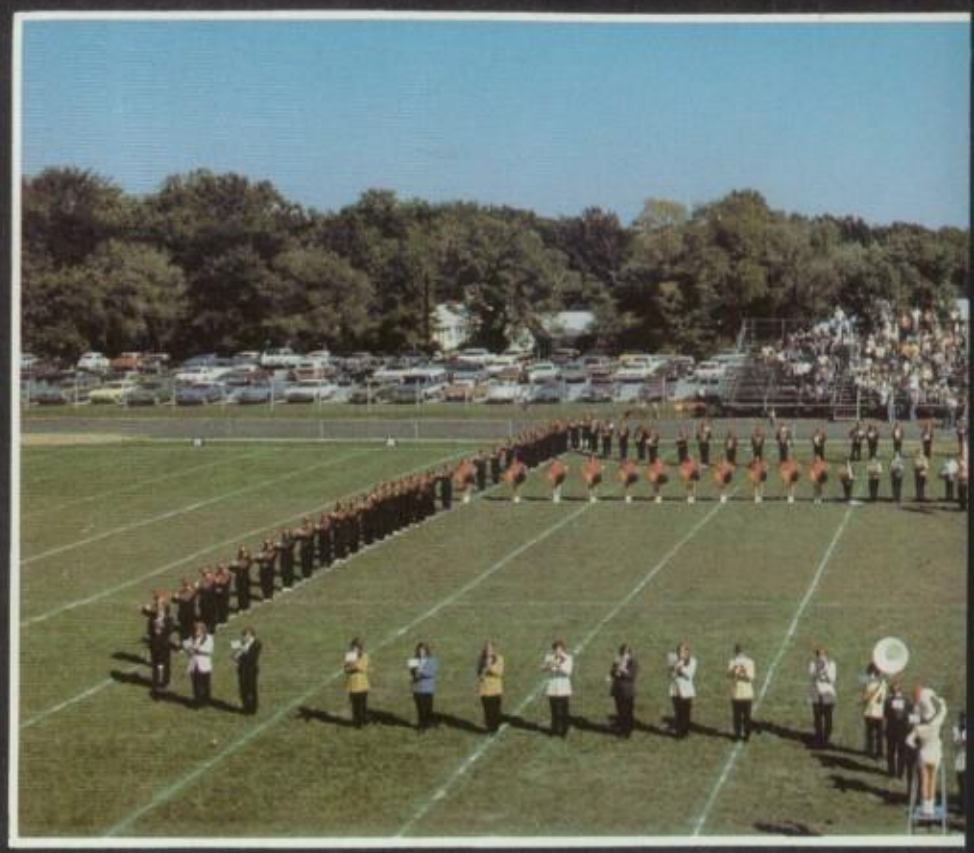


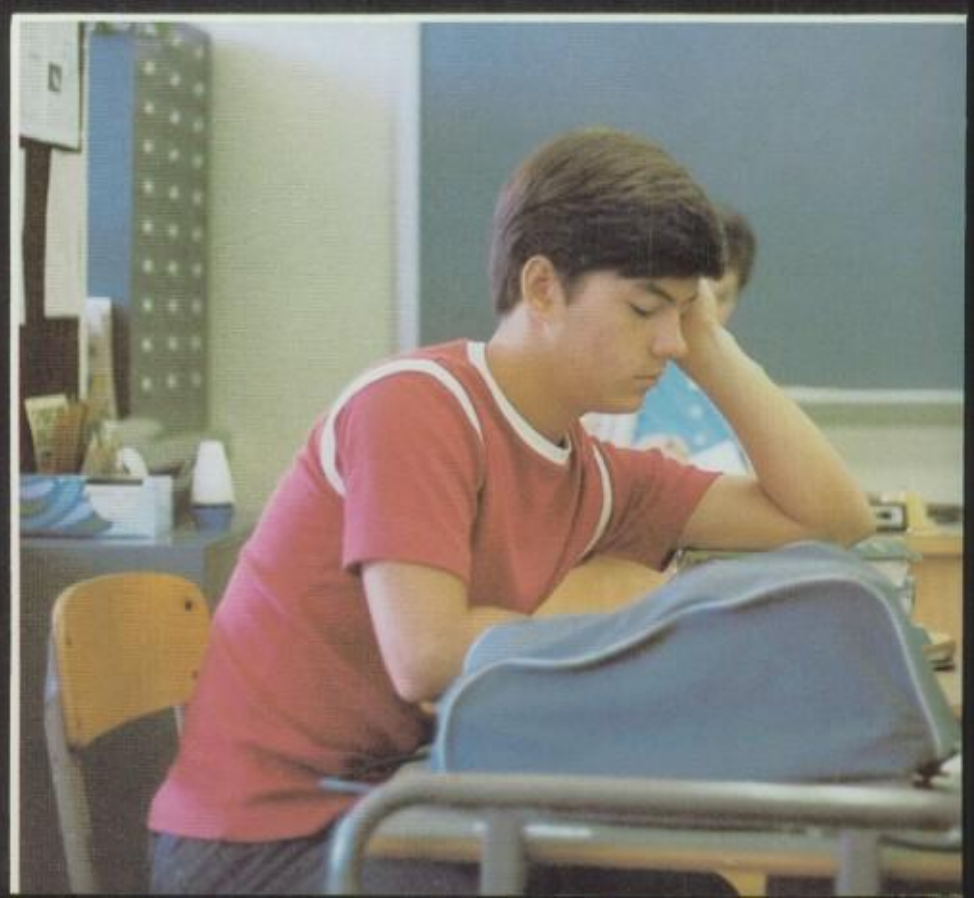
. . . FROM ENDLESS SOURCES

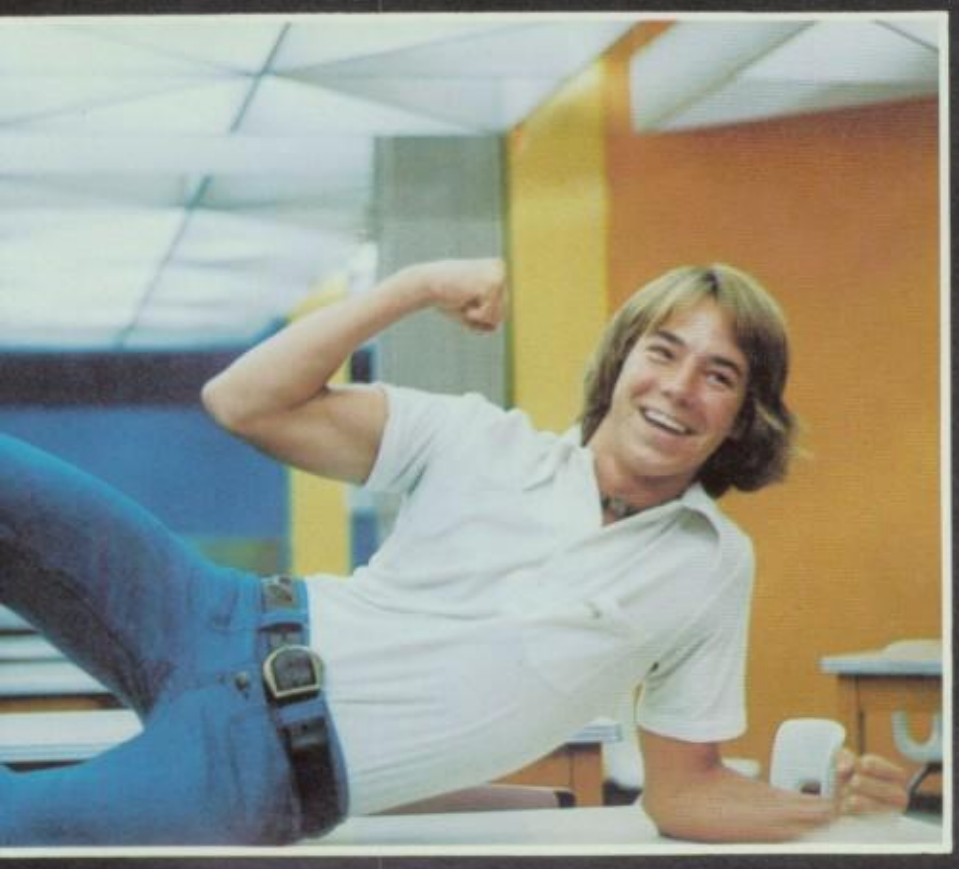
FREEDOM TO EXPRESS . .

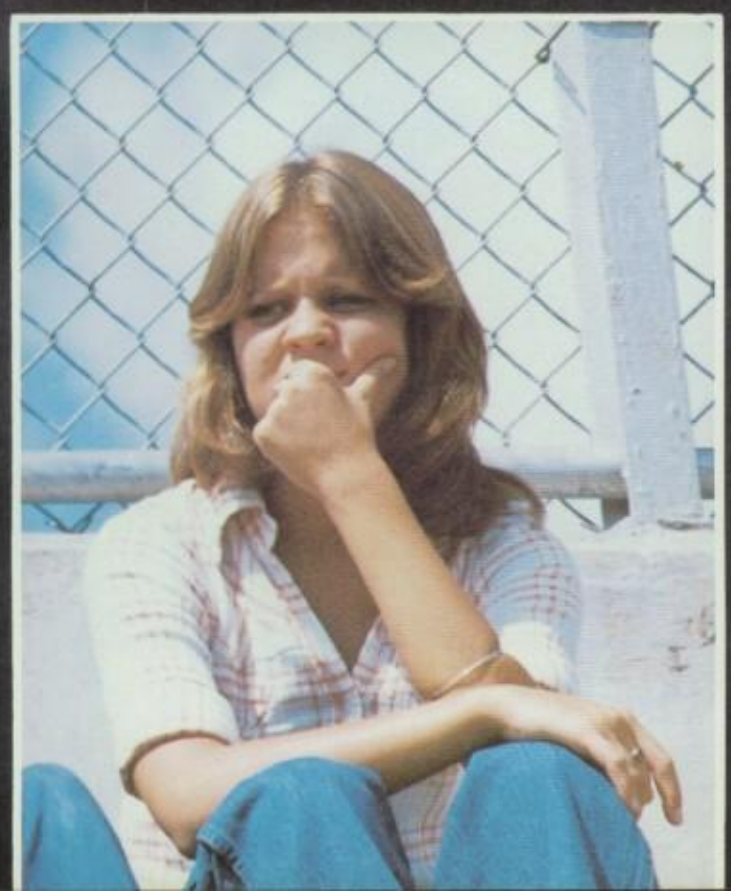






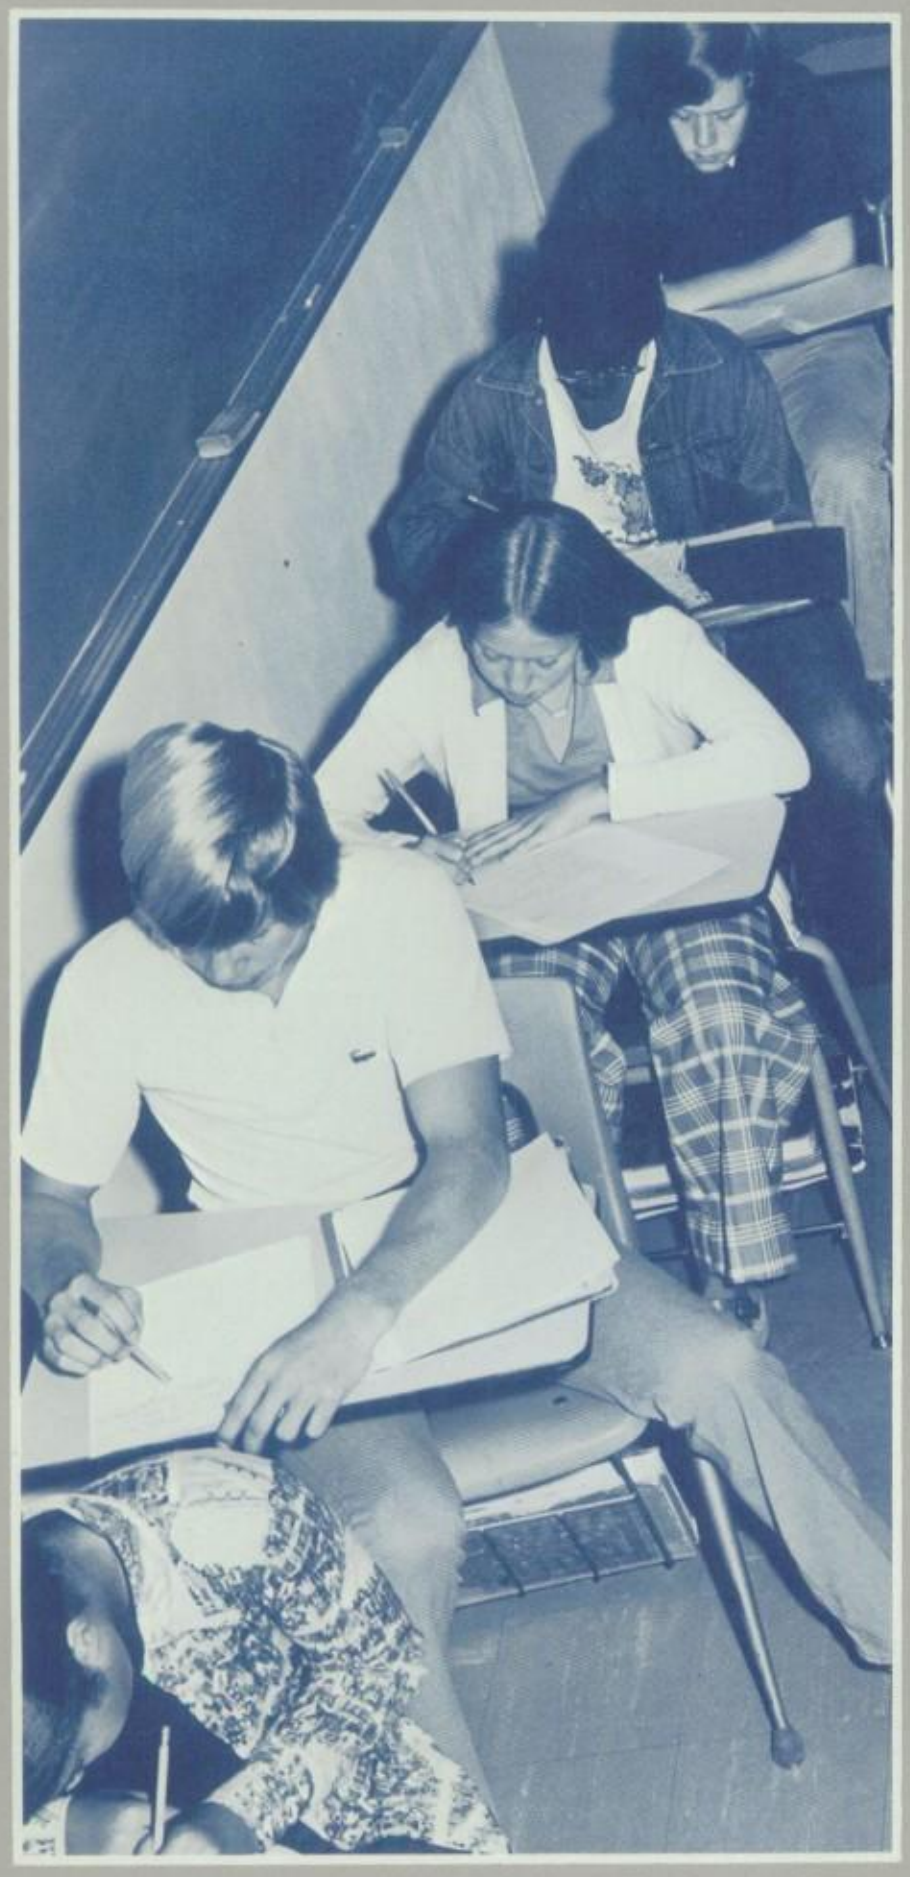






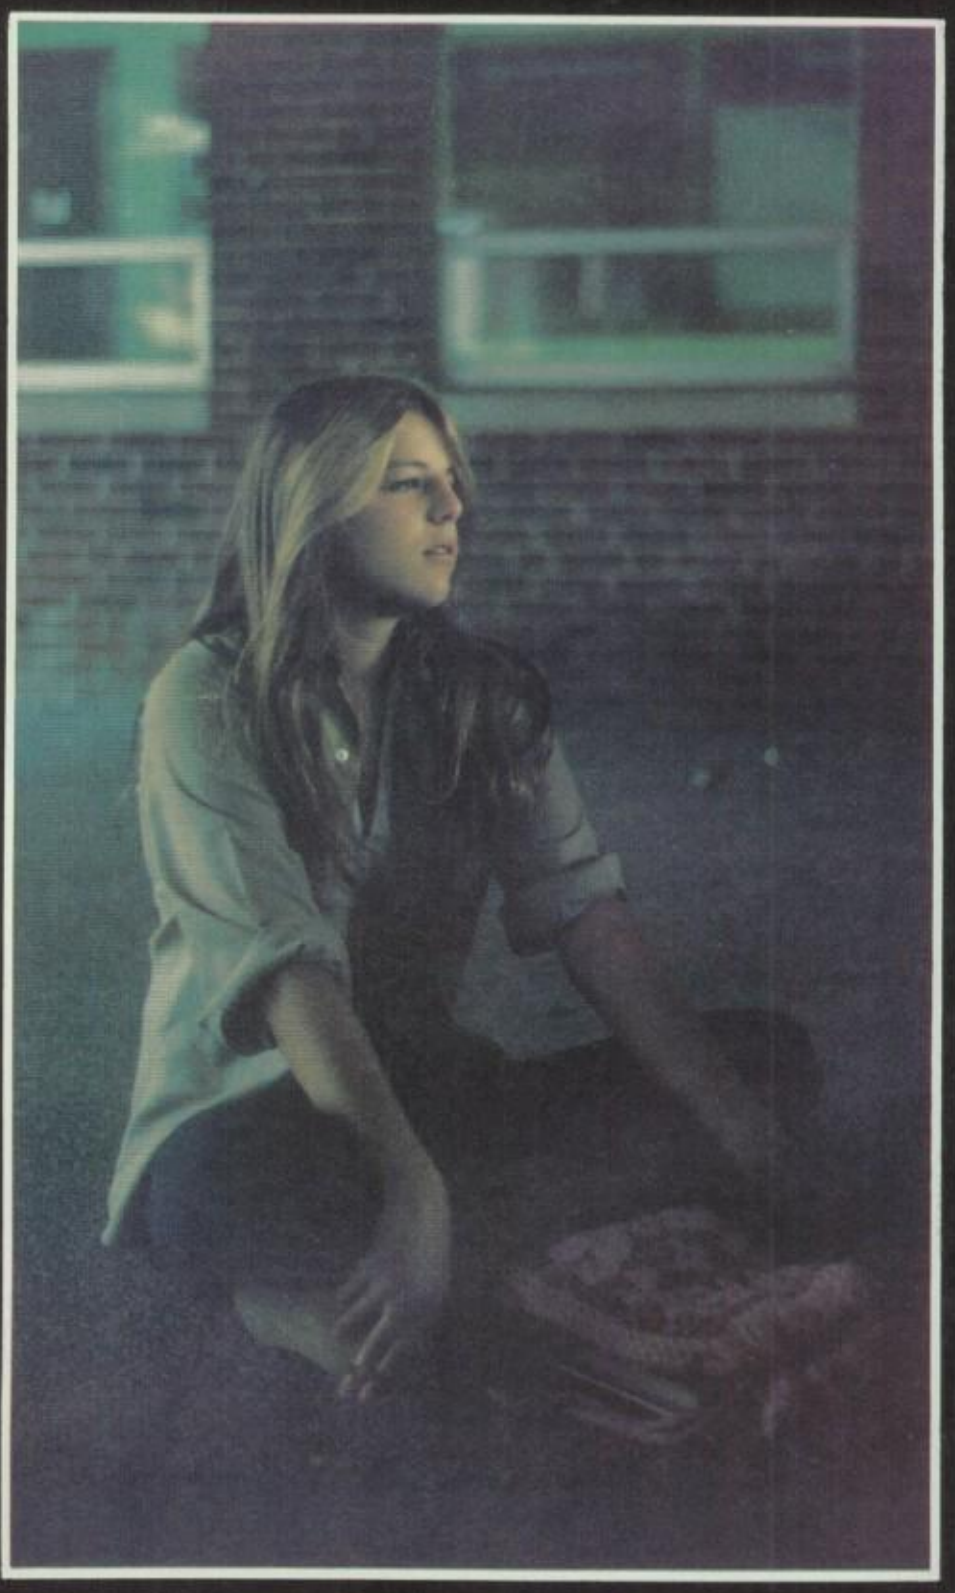
. . . OUR THOUGHTS
AND EMOTIONS

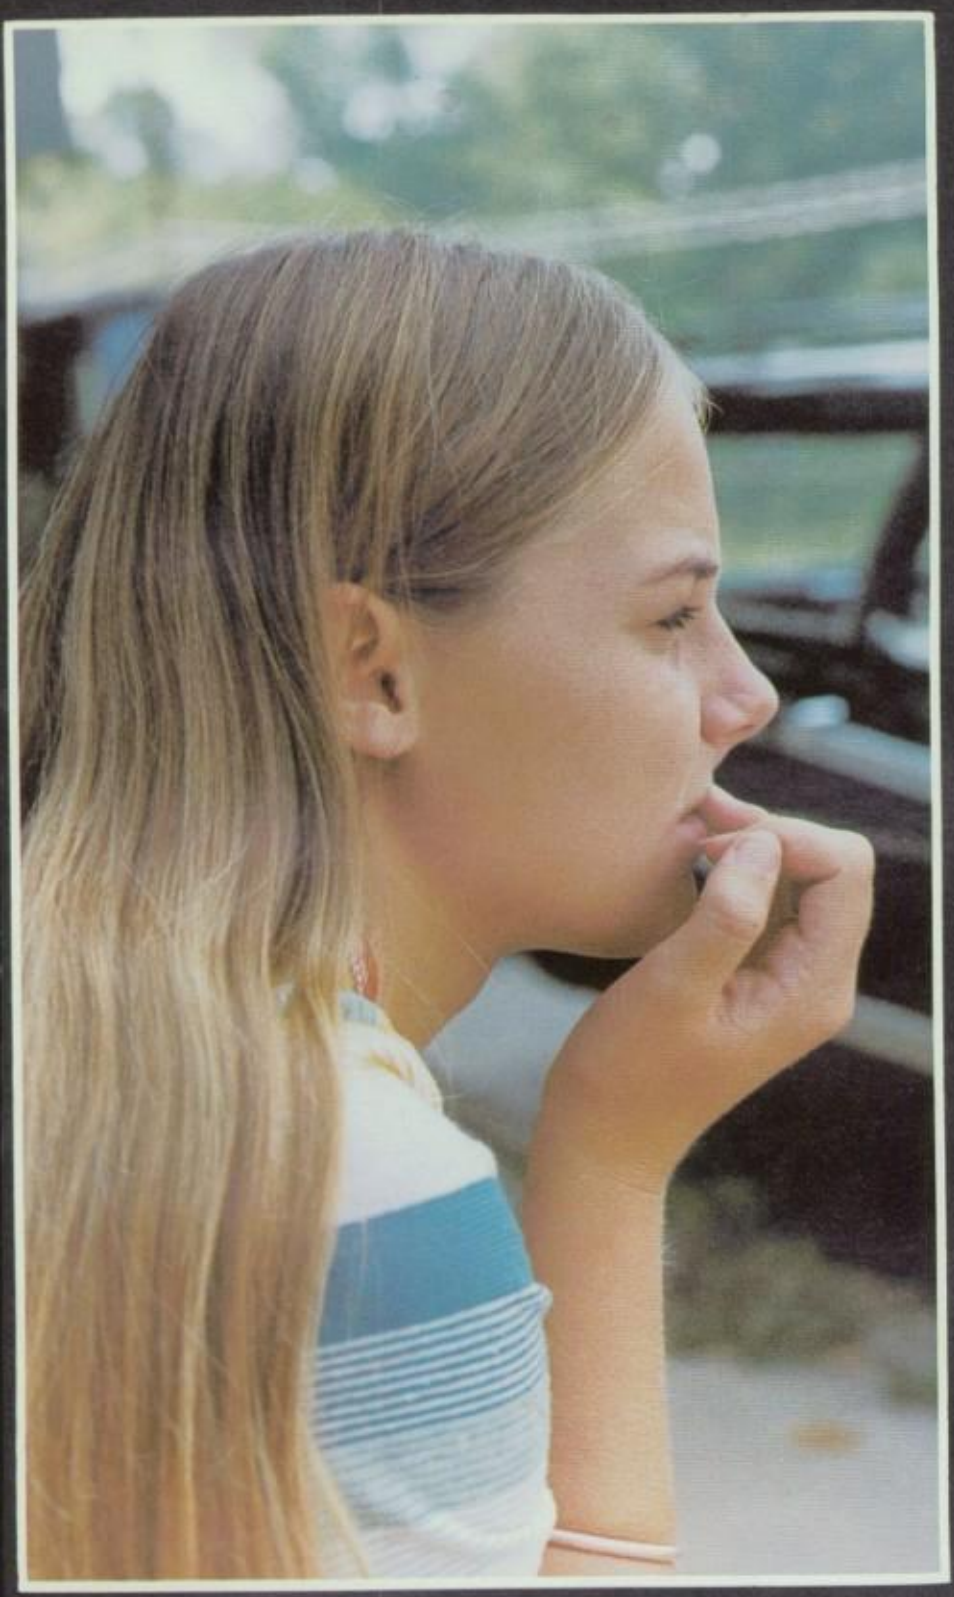
FREEDOM TO INVESTIGATE . . .

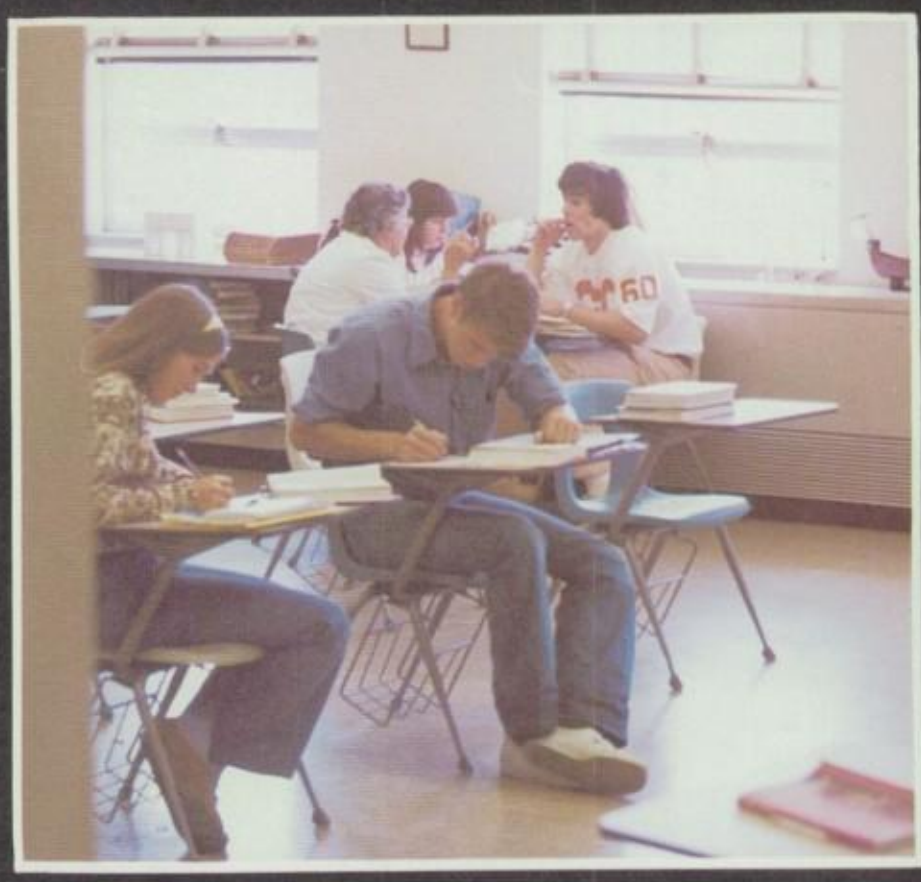


. . . WHILE ARRIVING
AT OUR OWN ANSWERS

FREEDOM TO QUESTION . . .

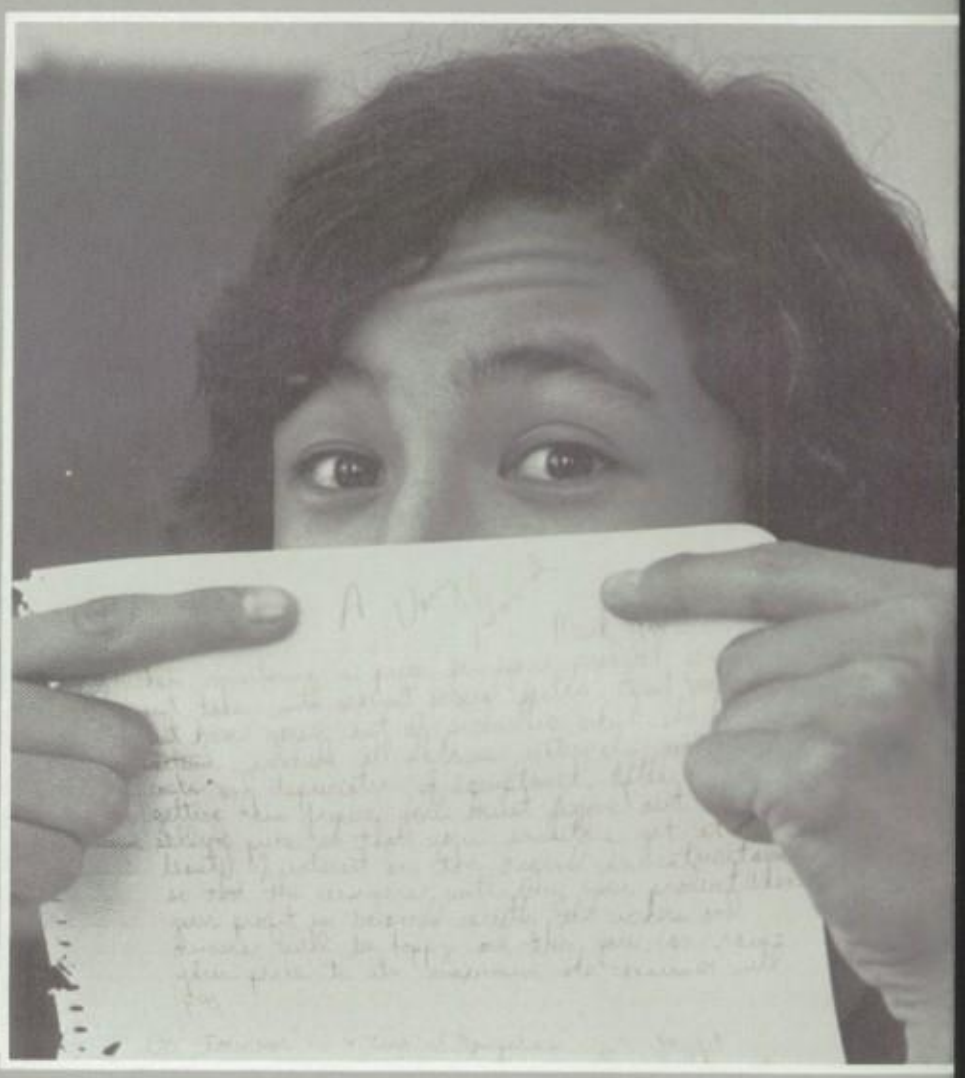


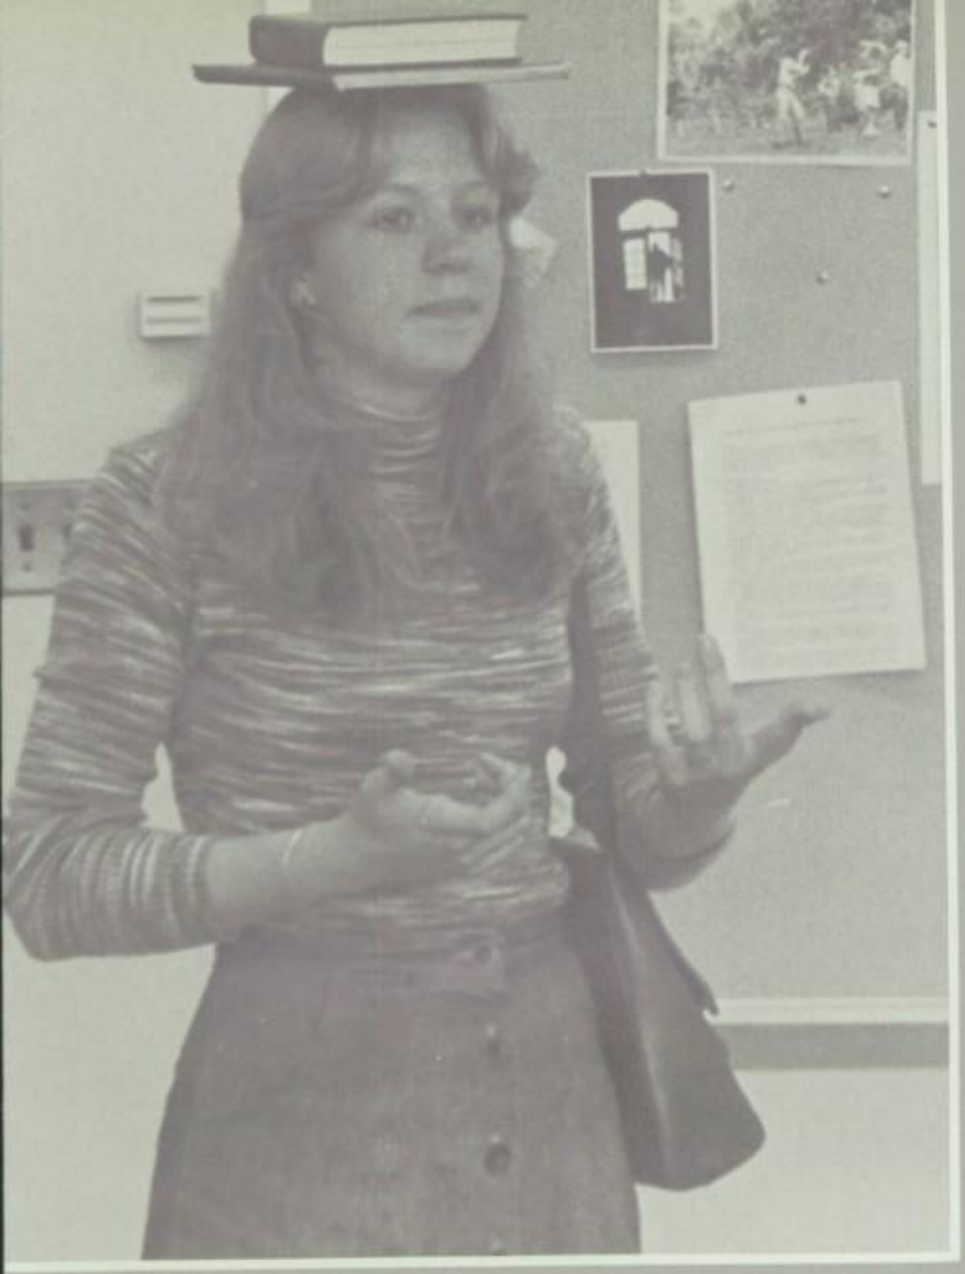




. . . OUR SELVES
AND THOSE AROUND US

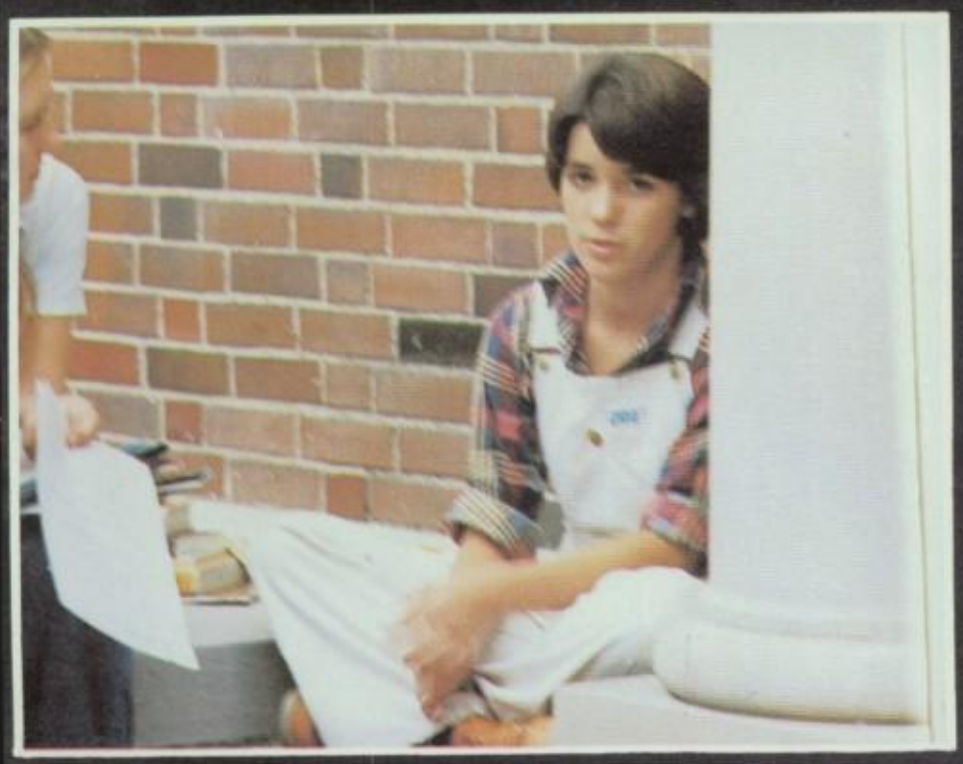
FREEDOM TO GROW . . .





. . . PHYSICALLY
AND MENTALLY

FREEDOM TO LIVE . . .



. . . BECAUSE LIFE IS FREE!

S.B.A.A. Annual Production

The S.B.A.A. annual variety show, which this year included two rock bands, a dance troupe, vocalists, and various comedy acts, was well attended by approximateley 300 people. The activity always proves to be the most profitable for S.B.A.A. and attracts an audience from all over the city.

Scrimmage at the breakfast table

The snow may change the scenery, even postpone the game, but the spirit that is Turkey Day was still with us. After approximately 6 inches of snow, some changes took place. The game was moved to Saturday, November 29 and the bonfire--pep rally activities were moved indoors. The traditional breakfast was held November 26. A lot of work went into the events surrounding T-Day, and as usual S.S.C. and others did an outstanding job.

Community Campus students spent two or three hours daily at their "learning station." At the learning station they did a great variety of things: help on political campaigns, clip a dog's ear, watch trials, transport physical theraphy patients, work at an immunology lab and repair motorcycles. This was the fifth year the program has been in operation. The advisors were Mrs. Frederiksen, Mr. Shles, and Mr. Finch.

Yearbook Staff '76 lets life be free

Editors, Scott Smith/Tim Zakarian.

Yearbook Staff '76 undertook the task of a bicentennial yearbook with their theme, "Let Life Be Free", dodging the ordinary red, white, and blue of our country's 200th birthday celebration.

Under the able leadership of editors Scott Smith, and Tim Zakarian, the staff completed ALL deadlines on time, along with the new addition of Freshmen to the same 220 pages.

Echo staffers keep school well informed

With advisor Ms. O'Connell hospitalized nearly two months in December and January, the Echo Paper Staff continued to meet all deadlines, indicating teamwork as an asset.

Focusing on local rather than national events, the Echo took a more satirical outlook concerning editorials and feature articles.

After a vigorous subscription drive in the fall, the staff sold considerably less subscriptions rather than individual issues throughout the year. Bill Manganaro and Martha VanLeunen co-edited the paper.

Beginning with the Haunted House at Halloween, all activities have been a working effort towards this goal. A more concentrated theatrical orientation during initiation brought many needed changes to Webster's thespian troupe. Mr. Kenney sponsored the group.

The Webster Groves High School Band underwent a large change this year with the new freshmen and sophomores, the bands total nearly doubled over the past year. After a successful marching season including not only football games but also parades. The band was divided into two groups, The Wind Ensemble and The Symphonic Band. This split enabled Mr. Carson and Mr. Carasello to work more closely with the students. Rehersals were held simultaneously, and this caused a few problems, but they were overcome and both bands came up with good performances throughout the year. The two bands held concerts during the year to raise money for thier trip to Central Missouri State University.

Pom-Pon spirit

This years peppy pom-pon squad was unusually active with the Veiled Prophet Parade, Columbus Day Parade, and the thirteen performances for the fans of football and basketball games. With workouts after school and with the band, their routines were outstanding as ever. With the talents of Mrs. McGraw and band director Mr. Carson, this year's pom-pon squad was able to attend their first year Pom-Pon camp.

GAA has eventful year

GAA sponsored intramurals and the girls signed up to participate in the sport of their choice. By participating in the sport they earned points toward becoming a GAA member. 100 points were required for membership. These points were given on the basis of attendance and attitude.

The financial backing for the GAA came from operating the concession stands at football and basketball games. They also sold W.G. buttons. In spring the GAA held their annual All Sportsman Dance to help their budget and recognize the school's favorite athlete elected by the student body.

See Frank Pascoe run.

"Change for the better"--That's the theme of this year's cross-country team--and here's why:

* A big change--the course was extended from 2 long miles to an even longer 2.5 miles!
* Suburban South Conference emerged as the strongest conference in the state!
* In that South Conference, the Statesmen compiled an honorable 5-5 record, and finished 6th of 12 at the District meet.
* Co-Captain Mitch Green set a course record at Parkway Central.
* Co-Captain Ray Cummiskey set a course record at Webster; Then he finished 5th in the District, and qualified for State, where he placed 17th of 183 runners.
* Girls competed with the Varsity for the first time--Kathryn Biggs, Dorothy Kane, Faith Sandler, and Lisa Willard broke the Harrier Barrier. Miss Biggs proved champion, winning the 1.5 mile girls District race!

"Change for the better"--that's a good survey of the 1975-76 season. Considering the promise shown by sophomore and junior cross-country squad members, next year should be even better! Good luck coach Hill!

The High School Swim Team started the season with a rather poor showing at the University City Relay meet. The problem this past year, as in previous years, was the lack of depth. Led by standouts seniors Jack Arnold and Tom Morton and with good showings from sophomores Dan Hemenway and Eric Mulkey, Webster puts up a good front, but they lacked depth for the final punch. However, with longer workouts and more yardage this year, the swimmers looked forward to the State Championships. The Diving Team showed much promise, with two great sophomores, Steve Braun and Mike Diamond and Senior Kurt Kinderfather. Diving was always the strong point of every meet.

Sophomore and Freshman cheerleaders inspire underclass statesmen

Initiating school spirit for the sports of each season, were the Freshmen, B-team, and Varsity Squads. A decrease to fourteen Varsity Cheerleaders did nothing to hamper the school spirit at Webster. Along with the B-team and Freshmen squads all sports were covered to their fullest.

The unity to each squad was not only formed by the girls themselves, but with the help of their sponsors. Mrs. Imse sponsored the varsity squad, and Mrs. Touhy supervised the B-team squad. The size of the Freshmen squad resulted in two sponsors, Miss Land and Mrs. Enslin.

Jerry Knight, Principal

Students and Friends:
This year we became a four year high school, grade nine through twelve, as part of a reorganization of the school district. Two thousand, one hundred and eighty-five high school students are being served by one hundred and forty-four staff members in two buildings --Hamsher and Plymouth. A remodeling project costing about one and one-half million dollars has been completed this year with major improvements in the home economics, industrial arts and science areas.

Teachers, students and parents began a study of the entire high school program as we prepare for a visit from the North Central Association of Schools and Colleges next October. To our graduating seniors, "Good luck and best wishes for the future."

Sincerely,
Jerry R. Knight

This yearbook was put together and published through the efforts and hard work of many people at Webster Groves High School. Many of this years staff members were new at this job and we acknowledge this fact. But we feel very proud to have worked together and to have experienced the responsibility of putting a yearbook out. We hope that now, and in years to come, you will appreciate the effort and enjoy looking back on this fine year.
